May 8th, 2020 - as a lifelong reader of
swallows and s i can only hope that the
film makers will remain true to the book

especially the time period it s set in the last thing i d want to see is the pany getting fed up with trying to make a modern tourist attraction look like 1931 and decide to make the movie take place in 2010 instead that would be horrible as i m sure fellow purists would agree'
