## **Syntax and the definition of Art sciencechatforum com**

*December 13th, 2019 - Hello everyone my name is Michael and I was here quite some time ago and am now back The topic I would like to discuss is the definition of art which I propose is capable of being both defined and proven to exist as a fact a mathematically verifiable fact as I previously stated*

### **'Syntax Examples and Definition of Syntax**

December 26th, 2019 - Syntax and Diction Syntax and diction are closely related Diction refers to the choice of words in a particular situation while syntax determines how the chosen words are used to form a sentence More often than not adopting a complex diction means a complex syntactic structure of sentences and vice versa"

### **'Syntax Definition and Examples**

**December 25th, 2019 - Syntax is the proper order of words in a phrase or sentence Syntax is a tool used in writing proper grammatical sentences Native speakers of a language learn correct syntax without realizing it The complexity of a writer s or speaker s sentences creates a formal or informal level of diction that is presented to its audience'**

### **'What Are the Functions of Art**

December 26th, 2019 - Art has been used to attempt to exert magical control over time or the seasons or even the acquisition of food Art is used to bring order to a messy and disorderly world Conversely art can be used to create chaos when an artist feels life is too staid and ordinary Art can also be therapeutic?for both the artist and the viewer'

### **'What are the state of the art English syntax theories**

**November 23rd, 2019 - Now in order to present a theory of English syntax whether you use DG or CG to describe the syntax you need to be able to determine a finite number of English syntax rules the fewer rules the better that can**
