## **'planting the seeds of science and skepticism interview**

May 8th, 2020 - the second book is on critical thinking and skepticism and it's about all of those myths it's called oh the things we believed i almost didn't want to do a book about the big bang and how we are all stardust because i felt like it was overdone and we were talking about it all the time'

## **'book review annabelle amp aiden oh the things we believed**

May 13th, 2020 - if you found carl sagan's a demon haunted world helpful to learning skepticism as an adult i think you can consider oh the things we believed to be an excellent guide to skepticism for kids my only minor quibble with this book is that annabelle doesn't appear to do much more than watch aiden as he blunders through his journey to reason" **5500 blogger**
