postmodernism

June 3rd, 2020 - postmodernism is a broad
movement that developed in the mid to late
20th century across philosophy the arts
architecture and criticism marking a
departure from modernism the term has
been more generally applied to describe a
historical era said to follow after modernity
and the tendencies of this era
postmodernism is generally defined by an
attitude of skepticism irony or
rejection" *postmodernism and feminism free*

May 23rd, 2020 - ailene brukman stivi professor
haim deuel lusky postmodernism and feminism
the question of what happened to feminism
during the postmodern times is not easily
encapsulated in one phrase or idea as it is
actually an amalgam of often purposely
ambiguous and fluid ideas one would have to
start researching about postmodernism and
what it means let alone search about the history
of feminism and'
